LAUNCH
LEARN • ADOPT • USE • NETWORK • CONNECT • HEALTH IT

Helping you get your **Health IT** goals off the ground

LAUNCH is our flagship, fee-for-service initiative that brings CHITREC's expertise and resources directly to your practice to assist you with **all aspects of health IT**, from implementing an EHR and achieving Meaningful Use Stages 1 and 2 to implementing a clinical quality program.

CHITREC experts work **one-on-one** with your practice to build your custom program and help you achieve your health IT goals.

CHITREC has helped over **1,200 providers** collect more than **$27.5 million** in government EHR incentives.

LAUNCH Services

CHITREC offers **off-site education** and training, and **on-site services** for individual help.
